Just like the first day, our morning starts at 2am pre-heating the ovens and mixing the ingredients to make our signature doughs, sauces, breads and desserts all fresh from scratch!

Now, over 54 years after opening our doors, founder, Andy Z, is still the only one who knows and prepares the "secret spice blend" for our signature HiWay Pizza sauce.

We use only the freshest local and authentic imported ingredients to make our unique pizzas, pastas and desserts.

We believe in scratch-made, seriously good food to share with family and friends!
