*It all started in 1963 at a small slice-shop
in downtown State College...*

Just like the first day, our morning starts at 2 am preheating the ovens and mixing the ingredients to make our signature doughs, sauces, breads and desserts all from scratch!

Now, over 50 years after opening it's doors, our founder, Andy Z, is still the only one who knows and prepares the "secret spice blend" for our signature Hi-Way Pizza sauce.

We use only the freshest local and imported ingredients available to make our unique pizzas, pastas and desserts. At Hi-Way, we believe in seriously good food to share with family and friends!
